Town Board meeting was called to order by Nancy O'Brien Dailey @ 6:00 pm.

New Business:

- Public Hearing for Road Management and Safety was opened.

- Grant Application in the amount of $1,000,000 for a Municipal Safety Building was completed and filed.
    - Kenny met with the Town of Grieg Highway Department and was able to obtain pertinent information regarding their newly constructed municipal building.

- The BAN (Bond Anticipation Note) was received and a special account was opened for Lyonsdale Water District 1 at Community Bank NA.

- Snow and Ice agreement from the county has been reviewed by the lawyer with changes to address the liability issues within the original contract. The new wording will place the responsibility back on the county.

- Lyons Falls Water District 2 completed testing on the fire hydrants and found inadequate flow and pressure. Due to this inadequacy, increased funding for the project may be available.

Old Business:

- March 10, 2026 meeting minutes were read by the Town Clerk.
  Motion to adopt with designated changes: Keith Todd
  Seconded: Ed Farr
  Ayes: 5
  Nays: 0

- The draft IMA for Water District 1, Port Leyden is being amended. A special meeting for this will be scheduled within the month.

- Transferring the River Rd Bridge from the town to the county was discussed. A motion to adopt Resolution #33 was presented.
  Motion to accept: Kate O'Brien
  Seconded: Keith Todd
  Ayes: 5
  Nays: 0

- Rez Pilot project was discussed. Kate will contact Cindy Shaw, Town of Lyonsdale Tax Assessor to see how his residence should be taxed.

- Highway Department report:
  - Kenny reports things are going well. The department continues to be down both tractors. One is still at SNP in Watertown waiting for parts to fix the cylinder and the clutch is gone in the other tractor. This tractor will go in for repair asap.
  - Kenny shared a tractor with boom mower that's for sale with 1200 hours for $43,000. He also shared a Gradall with 5876 hours for $9000. Both were discussed along with condition and issues with the current mower. It was decided that Kenny would get an estimate from Brown's Specialty Welding to see what can be done if anything and how cost effective it is to fix it.
  - Kenny reported there may be FEMA money available to address some of the flooding issues. He will reach out to Bob MacKenzie to apply in hopes of fixing some of the culverts in the town that are in poor repair.

- Motion to close the Public Hearing by Megan Krowkowski
